MISSION STATEMENT

The BiNA Farm (TBF) is committed to providing a comprehensive therapeutic environment utilizing Equine Assisted Activities and Therapies (EAAT), a Life Skills Program and Creative and Complementary Therapy Programs. We bring together those with and without special needs by offering a variety of inclusive enrichment programs that will ultimately help them to thrive personally and to make their best contribution to society.

ABOUT US

The BiNA Farm program consists of three components: Equine Assisted Activities and Therapies, Life Skills Programs and Creative and Complementary Therapies. Our programs do not focus on our clients' limitations but rather on what they can achieve. Our services are open to any person with a disability who could benefit from these special forms of therapy. These therapies do not replace other forms of treatment, but rather augment them and help our clients to reach their full potential. In fact, our instructors and therapists may work closely with the clients' physicians to create the best treatment plan.

The BiNA Farm is committed to the following goals:

- Providing a nurturing therapeutic environment that focuses on the unique challenges of each client.
- Creating an atmosphere that transcends the usual rehabilitative model.
- Bringing together those with and without special needs through a variety of enrichment programs for siblings, parents, caregivers and friends.
- Providing both short and long term support for our clients and their families by offering a comprehensive program.
- Treat all clients, their families, friends, staff and animals with respect, dignity, kindness and compassion.

LOCATION

The BiNA Farm offers certain programs at The Dana Hall Riding School located at 160 Grove St., Wellesley and a private barn in Sherborn, MA. Currently we are searching for a primary home in the Metro West area to expand our existing program. However, we will continue to offer portions of our program at these locations as they are a very important part of our integrated program.

The BiNA Farm Statement of Participant Eligibility or Dismissal:

The BiNA Farm offers services to individuals with and without special needs. Financial consideration is not taken into account in determining the eligibility for participation.

This determination is made on the basis of physical, behavioral and other limitations.

Individuals accepted into The BiNA Farms' programs are required to follow The BiNA Farms' rules and procedures. The BiNA Farm reserves the right to discontinue the participation of an individual in its programs when it is deemed that discontinuance is in the best interests of The BiNA Farm and/or the individual concerned.
