Dear Prospective Volunteer Committee Member,

Thank you for expressing interest in getting involved with one of The BiNA Farm volunteer committees. Below is some general information about who we are, what we do, and how you can become involved.

### **MISSION**

The BiNA Farm (TBF) is committed to providing a comprehensive therapeutic environment, utilizing Equine Assisted Activities and Therapies (EAAT), a Life Skills Program, and Creative and Complementary Therapy Programs. We bring together those with and without special needs by offering a variety of inclusive enrichment programs that will ultimately help them to thrive personally and to make their best contribution to society.

### **ABOUT US**

The BiNA Farm program consists of three components: Equine Assisted Activities and Therapies, Life Skills Programs, and Creative and Complementary Therapies. Our programs do not focus on our clients' limitations, but rather on what they can achieve. Our services are open to any person with a disability who could benefit from these special forms of therapy. These therapies do not replace other forms of treatment, but rather augment them and help our clients to reach their full potential. In fact, our instructors and therapists may work closely with the clients' physicians to create the best treatment plan.

The BiNA Farm is committed to the following goals:

- Providing a nurturing therapeutic environment that focuses on the unique challenges of each client.
- Creating an atmosphere that transcends the usual rehabilitative model.
- Bringing together those with and without special needs through a variety of enrichment programs for siblings, parents, caregivers, and friends.
- Providing both short and long term support for our clients and their families.
- Treating all clients, their families, friends, staff, and animals with respect, dignity, kindness and compassion.
